

YASIR ARAFAAT

Full-Stack Software Developer

Farrukhabad, Uttar Pradesh, India | [+91 7905325078](tel:+917905325078) | mailforyasir@gmail.com | [GitHub](#) | [Portfolio](#)

Full-Stack Developer with hands-on experience building and deploying responsive web applications, business platforms, and CRM systems using Next.js, React.js, Node.js, PostgreSQL, and MongoDB. Skilled in API integrations, workflow automation, real-time features, and production deployment across Vercel and VPS environments. Focused on creating reliable and maintainable solutions for real business needs.

TECHNICAL SKILLS

Frontend: React.js, Next.js, JavaScript, Tailwind CSS, shadcn/ui

Backend: Node.js, Express.js, REST APIs, Socket.IO, JWT Authentication

Databases: PostgreSQL, MongoDB

Integrations & Tools: Meta Graph API, Google Sheets API, WhatsApp Business API, Git, GitHub, Vercel, VPS

PROFESSIONAL EXPERIENCE

Freelance Full-Stack Software Developer — Akamify Tech

March 2025 – Present

- Developed and delivered client projects, including educational websites and a role-based CRM, using Next.js, Node.js, PostgreSQL, and modern UI libraries.
- Built responsive interfaces, interactive forms, lead automation, real-time notifications, and integrations with Google Sheets, Meta Graph, and WhatsApp Business APIs.
- Deployed and maintained production applications on Vercel and VPS, ensuring secure authentication, cross-device compatibility, and reliable performance.

PROJECTS

DigitalAdBird CRM | Next.js, Node.js, PostgreSQL, Meta & Google APIs, VPS

– June 2026

- Developed a role-based CRM for managing leads, users, teams, partner requests, follow-ups, and performance reports.
- Automated lead assignment, scheduled distribution, call tracking, notifications, and real-time updates using Socket.IO.
- Integrated Meta lead syncing, WhatsApp chat, two-way Google Sheets synchronization, and secure JWT authentication.

Mahabali Education | Next.js, Razorpay, Google Sheets, WhatsApp API, QStash

– March 2026

- Developed a Next.js platform for free webinar registrations and paid course enrollments with responsive landing pages and validated forms.
- Automated lead capture, Google Sheets storage, and WhatsApp confirmations and scheduled reminders using Mart2Meta and Upstash QStash.
- Integrated Razorpay payments, secure signature verification, invoice PDF generation, and Brevo email delivery for course purchases.

Subhash Academy | Next.js, Node.js, shadcn/ui, Vercel

– March 2025

- Developed a responsive educational website using Next.js and reusable UI components.
- Implemented smooth navigation, interactive forms, and mobile-friendly layouts.
- Deployed the application on Vercel and verified cross-device compatibility.

EDUCATION

Bachelor of Computer Applications (BCA)

Makhanlal Chaturvedi National University, Bhopal | 2023 – 2026
